What sort of equipment is used at your business?

Is there a break room, lounge, or coffee room for the staff?

Is your office easy to find?

Is parking an issue for you or clients coming to your business?

Do you have adequate signage outside your establishment?

What is going well with your business?

Has there been any large-scale remodeling of your office? If so, did you notice any changes after the alterations?

How would you class the style and design of your office building?

Do you or your employees have input into the working environment?  
Temperature or lighting?

What kind of music do you play in your office?

Is there any soothing art work?

How do you feel when you step into your office? Do your spirits rise or fall?

What are you favorite rooms in your office building? Why

What are your least favorite rooms in your office building? Why?

How do you feel about the business and the people that work for you?

Our offices can be vessels which support, nurture and help us achieve our goals: what is your intention for your present office building?

Take some time to make your intention as clear as possible.

My overall intention for my business is:
